

Kindergarten – Grade Eight Enrollment Packet

Thank you for considering a Catholic education for your child. Whether you are enrolling your child for the first time or changing schools, we understand that there is stress involved. Our goal is to make this transition as seamless as possible. Please contact the school office at any time if you have any questions. Prospective parents are always welcome and are encouraged to make an appointment to tour the school.

Enrollment Schedule:

With small class sizes, space is limited and reserved on a first-come basis. Class sizes are limited and depend on each grade level. Your child's space is reserved with the returning of your application and the registration fee.

Enrollment for new families begins **Monday, March 5, 2018.**

Placement Testing:

All new students are given an academic placement test to best assist us in placing your child within the correct class.

Once an application is returned, Placement Testing will be scheduled with each family.

Kindergarten Age Requirement:

Students must be 5 by September 1, 2018 to enroll in Kindergarten.

Admissions Policies:

Students are officially admitted after the returning of all required paperwork and the completion of a Placement Test.

All admitted students are admitted under a thirty (30) day probationary period.

Saint Joseph School administration reserves the right to deny enrollment of any child due to parental non-compliance of rules and misrepresentation of child or family information (i.e. age, health information, past academic or discipline records, etc.).

If you are interested in enrollment in our Pre-Kindergarten programming, please contact the Advancement Office for the proper Admissions Packet.
